As both Chair and Vice Chair was absent minutes were read and agreed and signed by Angela Wolfe.

Treasurers Report: We are continuing to have well attended rallies and the bank balance is still in profit. A large amount of money has been raised for the Chairman's Charity, the Children's Holiday Foundation for North Devon, which has been possible by the hard work of Ken Hiles in collecting donation gifts which we have raffled.

Angela had received information that the outstanding money due to us from another group would be paid at this rally.

Previous Rallies:

Warcombe Farm. A good number of vans and members attended thanks to Ken for all his hard work in the entertainments area and collecting raffle prizes for the charity. Booked for next year.

Bundu: a quiet rally, but overall, a good one, many thanks to Sam and Tim in organising a rally on their own. The site has asked us back for next year. Jim and Jenny to contact the site to discuss dates and prices.

Topsham. Sadly one of the co-hosts could not help and Jim and Jenny organised a very good time for all. Many thanks. The facilities were excellent and the bar opened for the rally. Booked for next year

Home Farm. Extremely good number of vans, a total of 52 vans. Many thanks to Jim, Jenny, Angela and Ian in hosting.

Barnstaple. Sadly one of the co-hosts could not help and Jim and Jenny stood in and did an excellent job of hosting with Chas. 24 vans were booked. Sadly the weather was not kind, the club opened each evening which helped and Ken came and entertained for an evening. Booked for next year.

Committee contributions:

Jim: The Christmas meal for this year was either a 2 or 3 course meal. It was felt that a 2 course would be better this year as it had been mentioned by members last year if this could be possible. A Free drink for all at the meal which would be done by a ticket handed to each person, in 3 different colours for Beer, Alcohol or non-alcohol this would then be taken and a bill would be given at the end to Angela. Jim is investigating the possibility of a coach for Christmas shopping to Exeter.

Jan: said she would start preparing for the AGM.

There was no other comments and the meeting finished at 4.30.

Date of next meeting Friday 6th October day before the AGM.
